by **John Hersey**

The facts are enough to make you shiver. A B-29 bomber, Enola Gay, dropped the first atomic bomb on the Japanese city of Hiroshima.

**Hiroshima by John Hersey**

The best example of this is Blues 1987. Not until Rip Van Winkle appears is imaginative writing included. Nakamura's whole family is gone except for her children.

**PAL: John Hersey (1914**

Illustrations by marine Major Donald L. It still felt a little strange to have all the interviewees have some sort of Christian connection, as well considering that Japan has always had a small Christian population. This book was originally intended as a long magazine article and it did not have the space to cover all arguments and nuances.

**John Hersey Revisited**

An ageing doctor who owns his own nursing home is enjoying his idyllic life in an underwear when the bomb hits.

**John Hersey Revisited**

Of the two, the Holocaust — unprovoked and unremitting — is unquestionably the greater crime.
