Opposition to the English Poor Laws

Simon Fowler, Family History Partnership, 2011.

Opposition to the English Poor Laws

The three volumes are arranged alphabetically by union and give details of the amount of the loan, who advanced it and securities for it, as well as the date of the order authorising the expenditure. London : Whittaker, Treacher and Arnot 1831 416pp. It therefore covers quite a large area which would nowadays be thought of as London.

Workhouse Records (Poor Law Unions)

The teaching hospital for this district was St Bartholomew's Hospital, which is why the archives of Hackney Hospital are now held at Bart's.

GENUKI: City of London, London

Nature of Source Records from the workhouse mostly relating to those created after the introduction of the Poor Law Amendment Act New Poor Law of 1834.

CENTRAL LONDON SCHOOL DISTRICT

The map also shows the city wall, and the extent of the great fire of London. This arrangement was simultaneously justified as required to give absolute uniformity country-wide and as allowing regulations to be tailored to local circumstances without taking up Parliament's time.

London Records of the Poor • FamilySearch

The Hospital created records on more than 100,000 infants placed in their care during that period. It may take several guesses before finding the correct one. This is a brief guide to help you with your research into workhouse policy and administration The National Archives Research Guide: How to look for records of Workhouse inmates and staff.
