Crony capitalism

Yet sociological theories have generally failed to consider the impact of political factors on crime. Secondo Carey e Shugart 1995 , esiste una grossa differenza fra sistemi elettorali che permettono la competizione intrapartitica perché operano sulla base di un sistema di liste aperte e quelli che la scoraggiano. Ravinet salió electo primer presidente de la AChM por aclamación, sin voto secreto, producto de una negociación tras bambalinas.

Ejemplos de clientelismo en español

Scholarly consensus has thus far eluded the question of why parties channel clientelist benefits to certain groups more than others. . Furthermore, smaller communities, which are generally poorer and have a greater need for resources, are a more attractive target.

Crony capitalism

Más allá de la representación y del clientelismo: hacia un lenguaje de la intermediación política.

Crony capitalism

While the obligations between these were mutual, the key point is they were hierarchical.

clientelismo translation in English

La legge Rosato, in particolare, ha ricercato un compromesso fra questa esigenza e quella di lasciare una certa libertà ai partiti di costruire le coalizioni dopo le elezioni limitando al massimo la personalizzazione del voto.

Japan's dismal performance in the 1990s and the East Asian collapses of 1997 indicate that can only boost economies in the short run and at high cost. Even in high-income democracies with well-established legal systems and freedom of the press in place, a larger state is generally associated with increased political corruption.
