Cato. : a tragedy. As it is acted at the Theatre

Using a variety of examples from the life of David Garrick, the chapter argues that, through the performance of death onstage and offstage, in his own scenes and in those made by others, this actor used intimations of his own mortality to establish a powerful social status, a peculiar kind of public intimacy which both guaranteed his living celebrity and helped establish posthumous glory. Reproduction of original from the British Library.

Oroonoko, a tragedy, as it is now acted at the Theatre

Author: Publisher: Dublin : Re-printed for G.

Athelstan King of England 895
