Paul's admonition to the Colossians has been heeded by Christians since the Church's earliest days.

Liber quinquaginta duorum motectorum (Costanzo Porta)

These were mental experiences with which most eleventh-century monks would have identified, problems they would have faced in their everyday lives. Interim ille perversa compositione verba facere, mulierum nomina inserere, luxurias commemorare; deinde religionem ostendere, et denuo eadem repetere.

Fr Ray Blake's Blog: August 2009

Joseph the Worker, in the Diocese of Tyler. Archivo Musical de la Capilla Real. Benedicta Ward, SLG Minnesota, 1980 was translated and expanded by Rufinus of Aquileia c.

34643345

It provided a lynchpin for their lives, creating an imaginative world for the monks onto which they might map and interpret their own emotional experiences, and a vocabulary for their articulation. Fashions come, fashions go, and amongst the fashions that go are certain styles of thinking.
