## Primary Sources (Original Documents)

This work was reproduced from the original artifact, and remains as true to the original work as possible. Use limiters in left column to focus search on specific geography, date range, topic or type of resource.

## Primary Sources (Original Documents)

İslam Araştırmaları Merkezi is the best research library in Turkey for Ottoman and Islamic studies. Furthermore, struggles for rights to minority worship within the State have been diverted as rivalries between churches, particularly within the Christian church, have divided congregations.

## Kyoto to Greece

As these are old books, we processed each page manually and make them readable but in some cases some pages are blur or missing or black spots.

## The Oriental Institute of the University of Chicago

Each page is checked manually before printing.

## Oriental Sacred Scenes Notes by Howe Fisher

Records of the Hijaz addresses aspects of Ottoman rule, Turkish-Arab relations, administration under Egyptian occupation, and power struggles within the ruling regime. Traversing empires and nation-states, diasporas and speculative cultural and political federations, these documents bring light to the formation of a global modernism, through debates on originality, public space, spiritualism and art, postcolonial exhibition politics, and Arab nationalism, among many other topics.
