I would recommend this product. Zuo Gu Shen Jing Tong Pian also dispels Cold and Damp.

Zuo zhuan

Kang's theory was that Liu Xin—who with his father , the imperial librarian, was one of the first to have access to the rare documents in the Han dynasty's imperial archives—took the and forged it into a chronicle-like work to fit the format of the Annals in an attempt to lend credibility to the policies of his master, the usurper.

If you are transformed, then you have no more constants. The Zuo zhuan seems to have had no distinct title of its own during this period, but was simply called Annals Chunqiu along with a larger group of similar texts. Four of the fragments date to the period 3rd to 6th centuries , while the other two date to the early 7th century.
