## A Prayerful Life Needs Interior Silence

To aspire to true devotion to the Sacred Heart is the same as to aspire to the quality of being the beloved of the adorable Savior; for the practice of this devotion properly speaking consists chiefly in a more tender and intimate love than that which the generality of the faithful have for Him.

## Silence: A Means to Recollection

The consequence of this articulation is a new interpretation of the Recollection theory, as. In several of the Platonic dialogues, Socrates gives an account of how recollection functions in ordinary contexts, and thus provides a basis for showing how anamnesis may be employed to.

## Plato

It dwelleth not in a dissipated soul that loves to chatter idly and to communicate every passing thought in conversations that are the enemy of recollection. It lives in the Church, through the Church, for the Church, in a spirit of brotherhood with all men, eager to communicate to them the Truth which is achieved in Love.

## SOUL

The reason of this diversity lies in the various being distinguished accordingly as the operation of the transcends the operation of the corporeal in various ways; for the whole corporeal is subject to the , and is related to it as its instrument. People always think that whatever they do will in some way give them pleasure and happiness. Such have been the Apostles and apostolic men who have given themselves up to the salvation of their neighbor; and thus it is an error to think that the greatest exterior occupations are obstacles to interior recollection; provided that it is God who puts us in these employments, these employments are the most proper means to keep us united continually with God.

## DEVOTION TO THE SACRED HEART

They are the biggest sensations of this BL drama fascination. It is foolish, nay, more, it is a betrayal to devote to a useless objective powers that can be given to what is essential. Although, like all ancient peoples, the Jews believed in dreams, there were advanced rabbis who explained them psychologically.

**CATHOLIC ENCYCLOPEDIA: Recollection**

The appetitive faculty consists in the ability to feel either a desire or an aversion.
