There really is no trick to know what is rare and what is common by just doing an internet search. McMahon appeals the district court's order accepting the magistrate judge's recommendation to impose sanctions in the form of a prefilng injunction and attorney's fees.

Rare \$5 1882 Blue Seal Bill from The Farmers & Merchants National Bank of Winchester, VA « Rare Paper Money

Neat Fact Notes from common charters are less valuable compared to rarer charters. Some notes are worth as little as a few hundred dollars, but most are worth a good deal more.

1882 \$50 Bill Value

This will likely be a common issue unless it is rare signature combination variety.

Marie M. McMahon v. F & M Bank

So it is unusual to see such a high sheet output. Despite saying series of 1902, these were actually issued by national banks between 1908 and 1928.

One neat thing about all brown backs is that they each have a different back design based on which state issued them. Support FLP CourtListener is a project of , a federally-recognized 501 c 3 non-profit. Of course Virginia is one of the oldest and wealthiest states in the country, so plenty of first charter notes exist and they are not always prohibitively expensive.
