### Railway

To celebrate the centenary of the Forth Bridge, the Forth Centennial Railtour was organised to run from Edinburgh Waverley Station over the Forth Bridge and around the Fife Circle before stopping briefly at North Queensferry Station.

### Accucraft November news

Bajpai praised the efficient work of the railwaymen.

### UK & Irish Railways: Authors M

See letter by Brian Hart in Number 13: not all the collection went to the NRM: at the time the writer held the South Wales section.

### Railway

The LNER claims to have been started by when he constructed the first steam railway in the world, between. On 19th November 1925, when Hughes was safely out of the way, Fowler wrote to Horwich stating 'It has now been arranged that the standard tender, which is similar to that being fitted to the No.

### The Railway Gazette, Special War Transportation Number

It was recognised at the outset of the war that the glare from the open firebox door of a steam locomotive at night made the railway vulnerable to attack from the air. If not stopped it was likely to go off sometime during the following 10 days.

### Special Report: The Railways

He started as a messenger boy on the railway aged 15 and later became a porter and carriage cleaner.

### **The Railway Gazette and Railway News, Softcover**

Some of the proprietors of the railway and many others were strongly opposed to this, but the town of Stockton was some distance up the winding and narrow river, and vessels of small tonnage only could be accommodated. Farther on another stoppage occurred owing to oakum having got into the feed- pipe of the engine, detaining the procession thirty- five minutes.
