The Grammar of English Grammars/Part III

Sir Condry Rackrent forever, was the first thing I hears in the morning. Wilbur jumped to his feet. It can also be very, very entertaining for the teacher who, aside from corrections and the odd question pointed their way, is largely a spectator.

Cobwebs to Catch Flies

The chief members are connected either by standing in contrast as members, or by but, understood before Johnson.

List of 100 Adverbs

It has been suggested that these works be split into multiple pages. When a Pronoun has two or more antecedents connected by and, it must agree with them jointly in the plural, because they are taken together. And yet I have not only divided some of his propositions and extended others, but, by rejecting what was useless or erroneous, and filling up the deficiencies which mark his code, I have delivered twice the amount of doctrine in two thirds of the space, and furnished eleven important rules which are not contained in his grammar.
