Galaxy and Star Formation

An opposing theory is that the transformation was a more gentle process, with stars initially formed in a disk gradually moving to the center of the disk forced by gravity producing a central pile-up of stars. A new star is now born. The above images were constructed from Hubble's largest ever survey of the universe, the Cosmic Evolution Survey COSMOS.

The Star Formation History of Field Galaxies

Entrepreneurs in the program were hand selected after a competitive application process. .

MobileWiki

After moving to Toronto, she has been active in organizing and participating in Toronto's Marathi Bhashik Mandal. It is disappointing to see people in India and also US paying more attention to what paparazzi say than what an economist or a historian or a scientist might say! Ajit has made Canada his home for the past 18 years and lives in Brampton, Ontario with his wife and daughter.

Garje Marathi

Specialized in the development of computational and analytical models for damage, fracture, fatigue and scaling in heterogeneous quasi-brittle materials such as composites and concrete. Her native language was Koine Greek, and she was the only Ptolemaic ruler to learn the Egyptian language. There is no doubt that future holds great accomplishments and honours for him.

Galaxy Formation and Evolution

Prakash Bhate, former head of dept. We managed to look back in time to measure the distance to a galaxy when the universe was only three percent of its current age.

Technology News, 11 Feb 2015

He completed his Sangeet Visharad in both classical vocal and harmonium from Akhil Bharatiya Gandharva Mahavidyalay in 2007.

Technology News, 11 Feb 2015

I have been in touch with our Marathi roots always and found my calling to serve the community while in Chicago Marathi Mandal under the leadership of Nitin Joshi. [REDACTED], [REDACTED] [REDACTED]; [REDACTED] [REDACTED]
