## The Bible: In the Beginning...

If we think politics and religion get all mixed up today, we only have to read this to find that there is nothing new in the world. In the sixteenth century, to attempt to translate the Bible into a common tongue wasn't just difficult, it was dangerous. This helps connect the dots between Calvin and much of the English side of the Reformation, particularly the Puritans, a connection I was not aware of until I read this work.

**In the Beginning: The Story of the King James Bible and How it Changed a Nation, a Language, and a Culture by Alister E. McGrath**

A major influence on the language was that the purpose of the translation was specifically public reading. Hardin of Bedford, Pennsylvania, wrote a letter to Cambridge inquiring about this verse, and received a reply on 3 June 1985 from the Bible Director, Jerry L. The first complete English Bible appeared in 1535 by Miles Coverdale 1488 — 1569 who based his work on existing translations.

**In The Beginning: The Story of the King James Bible and How It Changed a Nation, a Language, and a Culture: Alister E. McGrath: 9780385722162**

James Comes to the Throne As James prepared to take the throne, strong stirrings of discontent caused him grave concern. In the summer of 1523, Luther also translated the first five books of the Old Testament. Following this are two paragraphs on rival translations in relation to the KJB, and the chapter stops.

## King James Bible

The 1611 and 1769 texts of the first three verses from I Corinthians 13 are given below. The Puritans were not allowed to attend the first day of the conference.

**Scripture in the Anglican Tradition: The Story of the King James Bible**

The first printing used a instead of a roman typeface, which itself made a political and a religious statement. The sections vary greatly in tone.

### **The King James**

This text has been issued in paperback by. This review has been hidden because it contains spoilers. The Germans printed their first German version of the Bible in 1466, but there was not a hint of an interest in an English version.

### **King James Bible**

It was not printed without it until the first American printing of the KJV in the eighteenth century post Revolutionary War which was Congressionally approved.
