## Search for King Henry's Tomb Centers on English Playground

After a bout of familial infighting and the death of William II in 1100, Henry seized the throne of England.

## First in the West : the story of Henry Kelsey, discoverer of Canadian prairies : Whillans, James W : Free Download, Borrow, and Streaming : Internet Archive

In 1722, Kelsey was recalled to England. The grave is partly underneath Arthur's tomb chest — a carved stone chest that acts as a memorial — and probes showed excavations of soil and rubble, indicating the presence of a grave, but not whether there were any human remains inside, he said. Faringdon stood firm against Henry VIII's efforts to shut down the abbey and was convicted of treason for his efforts.

Upon arriving, the staff pulled the microfilm for me and I started scrolling through the records. All three sarcophagi went missing .

## What's in a Cemetery Record?

The group hopes to get a grant from the U.

## Archaeologists find grave of Henry VIII's elder brother

They were afraid to make a journey across enemy Assiniboine territory to go to York Factory. The birth date which is difficult to read on the headstone here is much more legible. In 1694 and again in 1697, York Factory was captured by the French.

## Burial records, cremation records, grave maps, genealogy and ancestry at Deceased Online

In 1703, he returned for a time to England. In the late 1700s and early 1800s, diggers uncovered three sarcophagi, one of which was made quite well, at the site.

### **Archaeologists find grave of Henry VIII's elder brother**

In 1705 Kelsey went back to Fort Albany as chief trader. She presents regularly at genealogy conferences, sharing the methods she uses every day to solve challenging genealogical problems.
