## Is education for all? The experiences of ethnic minority students and teachers in North

After EEOC filed its case, Sparx Restaurant closed and was replaced by a Denny's franchise. For example, John Roemer 1998 defends a conception of equality of opportunity according to which members of groups that have been subordinated women, racial minorities should have the same probabilities of achieving success as the members of the dominant group. Professional Building Systems of North Carolina, LLC, Civil Action No.

## Is education for all? The experiences of ethnic minority students and teachers in North

The EEOC charged that Skanska failed to properly investigate complaints from the buck hoist operators that white employees subjected them to racially offensive comments and physical assault.

## The Equal Educational Opportunities Act takes effect

One cannot, it seems, have the family and have perfect equality of opportunity. The company failed to retain counsel to prosecute the lawsuit. The district court decided that the companies were a single employer.

## Understanding equality

Commentary: Racism and bias in health professions education: How educators, faculty developers, and researchers can make a difference.
