Alain Chartier

Thus we find that the 15th century is a great era of preparation. The chanson texts preserved within the volume appear to reflect repertory cultivated at the court of either Antoine or Jean Croy, vassals to Philippe le Bon, and offer concrete evidence of English interest in the French polyphonic chanson of the fifteenth century.

English Literature: Fifteenth Century Literature

Chartier was a poet, orator, historian, moralist, and pamphleteer who wrote in Latin and French. Time Tested Books has been located in the same place and owned by the same people for over 20 years. This suggests that at least some of the exemplars from which this poetry was copied were themselves notated.
