Despite the centrality of wine in the Iberian diet, however, it did not become the universal drink of Latin America. The addition of citrus and other flavorings to the beverage helped create variety.

## Propriety and Permissiveness in Bourbon Mexico, Hispanic American Historical Review

Art and architecture were cultural expressions that felt the impact of Enlightenment ideas. This new text is ideal for colonial Latin American survey courses, courses on the history of Mexico and Latin American literature, and courses on the popular culture and social history of Latin America. Secular entertainments such as bullfighting were no longer supported by the crown, and theatrical productions had didactic and secular themes rather than religious.

### **Propriety and Permissiveness in Bourbon Mexico.**

These new ideas, it has been assumed, brought a relaxation of social customs.
