**The vegetable kingdom; or, The structure, classification, and uses of plants (1853 edition)**

This little Order is remarkable for the various modes in which its carpels are disposed without ever being consolidated. Their uses are unknown, GENERA. Text Appearing Before Image: mbryo, they will stand among Bindweeds ; if to the carpels, among Nolanads ; but as their separate styles are nearly paralleled by those of Evolvulus and others, it seems upon the whole better to refer them to Bindweeds.
