Technological change and levels, which are the drivers of productivity, are much lower compared to other parts of the world. Like hornless dragons they flee Rushing up to the clouds silently Tender leaves grow from youthful sprigs Soft as fox fur swirls and rolls. Auszug: Ai Weiwei chinesisch Ài Wèiwèi, 28.

In olden times, one knew of the Xianyang King Recently, one speaks of he of Ji Mountain A pine may be blessed as a god Or become a high minister when an emperor nods Finally, the southern lands and the northern capital, The distant fog and rain combine. Once, a great beauty appreciated you As one would a moon shaped clock More than her eighteen or nineteen jewelry baskets she cared Or her red, fragrant silk in countless layers. Referring to trees that twist among each other, and a huge mulberry tree that had a canopy like top.
