Internationalised Territories: From the 'Free City of Cracow' to the 'Free City of Berlin'. A study in the historical development of a modern notion in international law and international relations (1815

. . Conceptually speaking, the assumption of exclusive administrative authority by the UN under Chapter VII may be regarded as a modern form of, or rather, an extension of, a system of trusteeship.

Internationalised Territories: From the 'Free City of Cracow' to the 'Free City of Berlin'. A study in the historical development of a modern notion in international law and international relations (1815

Like France, Greece has limited application to those awards made in the territory of a contracting state and will only apply the Convention to differences arising under commercial legal relationships under Greek law See Foustoucos, *supra* note 268, at 182. The INTERFET Detainee Ordinance indicated that it would apply Indonesian law and international humanitarian law, although Australia denied the *de jure* application of the Geneva Conventions. Under the leadership of Oskar Lange, an economic council was created which advised the government on economic reforms.
