## Netherlands Economy: Population, GDP, Inflation, Business, Trade, FDI, Corruption

The SDGs fit well into the ongoing discussion on the importance of policy coherence for sustainable development, which has been central to Dutch development discourse.

## Netherlands Economy: Population, GDP, Inflation, Business, Trade, FDI, Corruption

Is it a reasonable request, or not? Contact us If you want to know more about our activities or events, or want to join us in these events, please contact us:. Collectively the islands are still often referred to as the Dutch Caribbean.

## Government

The King of the Netherlands appoints the governor of Aruba who holds office for a 6-year term, and acts as her representative. The population is largely Dutch, comprising 79. On the basis of Article 38, the countries of the Kingdom can decide to adopt a Kingdom Act outside of the scope of the aforementioned Kingdom affairs.

## Aruba Government and Politics

The other three countries cannot do the same for affairs of the Kingdom that only pertain to them and not to the Netherlands proper. Despite these subsidies, the western part of the country remains the centre of new activity, especially in the. The ATB continued the vital work of promoting Aruba as a tourism destination, especially in the United States, one of the key markets for the Caribbean.
