**French Emblems: Paradin, Claude: Devises heroïques (1551)**

Claude Paradin post 1510-1573 Claude Paradin not to be confused with his older brother, Guillaume Paradin, who was actually a more prolific writer than Claude was born in Cuiseaux Saône-et-Loire, and like his brother he spent his adult life as canon of the église collégiale in Beaujeu, near Lyons. The pioneering collections of devices compiled by Simeoni, Giovio and Paradin were all extremely popular in France in the first half of the sixteenth century, but somewhat surprisingly no French versions of Giovio were published after the 1560s although interest in the work of the native French Paradin was more enduring, with editions of his devices continuing to be published in France into the first two decades of the seventeenth century. All the mottoes are in Latin except for 6 which are in French or Spanish.

**Devises heroïques et morales (eBook, 1649) [spaceneb.us.to]**
