## Irina Vassilievna (The Fourth Protocol)

The denouement, with Ray McAnally's KGB chief turning up in person in England, seems a little unlikely and the film suddenly becomes confused in its implications and tone.

## The Fourth Protocol

In Moscow, the director of foreign operations for the KGB, General Karpov, discovers Aurora's existence. This book of Forsyth's is a fantastic cross breed of the two. His face, always lined, was now deeply furrowed.

## Fourth Protocol

Rawlings was confident it would be the latter. On Russian intervention. . . When an elite Russian agent is dispatched to plant an atomic bomb on a US airbase in the UK, beleaguered MI5 agent John Preston is pretty much all that stands in his way.
