Virgin and Child from the Sainte

Three rings per finger makes fifteen rings worn by Our Lady on each hand, corresponding to the fifteen mysteries of the Rosary. This post-war generation proved itself to be ungrateful, odious to the point of equipping the arm of My Son against Me, Who had made a covenant of love with Him whereby My tears would pay for all the insults and infidelities, all the horrors and crimes that He would have to suffer for the forgiveness of sinners, and among them for the souls closest to His pierced Heart! How to rate a place that does not exist any more? See this man dressed in white; it is the Holy Father in September 1978. Gothic style moved away from the Romanesque style by simplification.

I saw a little child dressed in white who appeared to be about 4 or 5 years old.
