

# Nonlinear least-squares inversion of bipole-bipole direct-current data - (Program NLSBPBP)

U.S. Dept. of the Interior, Geological Survey - Least squares fitting (linear/nonlinear)

Description: -

- Least squares -- Computer programs. Nonlinear least-squares inversion of bipole-bipole direct-current data - (Program NLSBPBP)

- U.S. Geological Survey open-file report -- 87-95.

Open-file report / U.S. Department of the Interior, Geological Survey -- 87-95 Nonlinear least-squares inversion of bipole-bipole direct-current data - (Program NLSBPBP)

Notes: Includes bibliographical references (p. 13).

**The Astrophysical Journal, Volume 771, Number 1, 2013 July 1**

It is to be noted that the characteristics of the curves are similar for both N 2 and air atmospheres. We have noted interesting characteristics from the representative portions of high temperature XRD patterns, as shown in figure 2 1 to 2 3 : the strong XRD intensity of the peaks at 3.

## Bipole

For completeness, 3D MHD models in studying the interaction between the solar wind and the magnetosphere and the ionosphere are also presented in this chapter. The detailed statistical as well as reduced time analysis show that contracting geometry and nucleation and growth type of mixed mechanisms are operative.

## Optimized arrays for 2

But in methanol one can expect the biexponential decay for CDDB. Processing and microstructure of non-oxide ceramic fib Silicon oxy nitride fibres are obtained from the nitr polycarbosilane.

## Non-linear approaches for reducing large power systems, International Transactions on Electrical Energy Systems

Figure shows the flux history of the opposite polarity footpoints that come together in this small region. Experimental In our experiments, pressed pellets of polyphenylene sulphide and polyethylene were used as targets for pulsed laser ablation.
