The Last Days on Mars (2013)

He had advised Gandhi to be patient and to study Hinduism deeply. For some, the butchery and forced relocation of the summer months of 1947 may have been the first they know about the creation of the two new states rising from the fragmentary and terminally weakened British empire in India. The thing was, like a ripped Carrot Top, Jerome didn't look funny.

The political base behind Gandhi had broken into factions.

The Tragic Real

. The newly discovered acrostic appears in book 9 of 12, in lines that describe a debate between Eve and Adam over whether they should stick together in the face of Satan's temptations or split up to face the devil's snares separately. The whites too said good things about Gandhi, who predicted a future for the Empire if it respected justice.
