## Asian American Studies (ASIANAM) < University of California Irvine

South Asia offers important lessons in how people manage to live together despite histories of mutual strife and conflict about communities and castes. Slave Abolition and Its Afterlives. A52 1979 Constitution of Japan and criminal statutes.

## Sociology (SOC)

Three months are still expected to be a preferred choice for many companies because the current LSA allows an employer to go without the 30-day notice as long as three months have not passed for an employee since he joined a company.

## Why Koreans Succeed

According to many philosophers, these questions cannot be properly analyzed in abstraction from the history of modern racism and the liberation struggles racial oppression has given rise to.

## Comparative Labor Relations

The consideration of gender and sex as organizing principles of social relations.
