### The Chosen One: Legend of the Raven (1998)

In parts of the Appalachian mountains, a low-flying group of crows means that illness is coming—but if a crow flies over a house and calls three times, that means an impending death in the family.

### The Chosen One: Legend of the Raven (film)

A chicken hawk managed to grab it but by the time he got back to shore his beak had been burned off, which is why it is short.

### The Chosen One: Legend of the Raven (1998) English Movie

Likewise, if you see an owl circling during the day, it means bad news for someone nearby. Here is the telling of the story.

### Raven mythology and folklore

If so, the theological implications are staggering.

### The Chosen One: Legend of the Raven (1998)

It was the dove, however, who returned. In Greek mythology, ravens were thought of as the companions of Apollo, one of the most important and complex of the Olympian deities. Some have regarded their survival as having secured the British monarchy and kept invasion away.

## **Cultural depictions of ravens**

The other main characteristic of Raven in Irish and Welsh myth is that of prophesy.

### **Ravens in Celtic Mythology**

In this mythology the goddesses are the aggressive deities, those associated with war and death. Undoubtedly, this reputation is undeserved, both in terms of their diverse mythological reputation and our current scientific understanding of the birds. The people then became the animals whose skins they were wearing.
