Notebook of the Night

Part II: Weird Autumn Day 1 of Part II: Notebook Sketch 23: Become A Fire Ghost - Unmissable. All the aspirant's latent wickedness as well as virtue is actualized by degrees; all of his dormant tempting passions are aroused in turn; all of his animal propensities are brought into play against his worthier ideals; all his insincerities and greeds, untruthfulnesses and vanities sprout quickly from the seed stage into full-grown plants. During this period the mystic will feel forsaken, emotionally fatigued and intellectually bored to such a degree that he may become a sick soul.

Stargazers Book

That is to say, they are for beginners and adepts.
