The Ropes

The surface sample PPEs are then applied in palaeo-reconstructions under the assumption that pollen productivity of plant taxa in the past equals present day productivity. You need to be comfortable with it the next time you need to use it in an emergency.

The Secrets of Rahab's Rope

Vlad watched approximately 20,000 people executed this way while enjoying his meal.

History of The Rope

The duration of each contraction lasts a 1-2 seconds or less. Whether and how atmospheric circulation has changed in the past, and how such changes may have altered pollen dispersal, is poorly understood.

The Rope That Tied A Past To The Future

The question arises whether and how PAR values can be used in a sensible and robust way in quantitative vegetation reconstruction.
