## Modern art

The course is first segment of a two-part survey of medieval monuments offered by the Department of Art History and Archaeology. Our focus encompasses decorative arts and crafts furniture, wrought iron, pottery, quilts, architecture and the emerging field of African American archeology, along with photography and the fine arts of painting and sculpture. Modern ideas in art also began to appear more frequently in commercials and logos, an early example of which, from 1916, is the famous logo designed by.

## Modernism

The scene was inspired by a diner in. This is exactly why we do not have to take the Russian avant-garde artists at their word.
