## Отсталая, говорите, Российская империя?

But the Slavophiles think that the true path is that which Russia followed previously. As will become obvious throughout this book, Russian conservatism is, and for the most part always has been, deeply interested in change. Kankrin opposed the building of railways, for instance, due to their large cost.

## „Наши дедови

On the other hand, economic and social progress tend to undermine the traditional values and institutions that conservatives support, and in extreme circumstances they unleash destructive revolutionary forces that can destroy the existing political, economic, and social system. He worked extremely hard, perhaps too hard, showing an unwillingness to delegate.

## „Наши дедови

Therefore no single civilization can take pride in being the highest point of development.

## Aleksandr Ivanovich Sumbatov

On the one hand, Russian conservatives of all types consistently claim that Russia is different from the West and that Western claims regarding universal human values are false.

## „Наши дедови

Карта губерний Казанской, Вятской, Пермской, Симбирской, Нижегородской, Пензенской, Самарской и северной части Оренбургской этн 09.

## **„Наши дедови**

Let us deny ourselves the pleasures of tasty food and drink. This modified Senate would then take command of the reform process. Aleksandr Sturdza wrote: To permit people without conscience and status to write and publish without punishment everything their mood dictates.
