Forty Years of ASEAN Can the European Union be a Model for Asia??,

And only about one-in-three Russians have confidence while roughly half do not. In a Pew Research Center poll, 58% of Americans said having more people of many different races, ethnic groups and nationalities makes the U. Liberal voices are, however, becoming increasingly disillusioned by Europe, a concern strengthened by the 2008 economic crisis, the EU debt crisis, and the lack of political will to move forward.

European Identity: Conflict and Cooperation

It has also become more prominent in new theaters such as with conservative Saudi Arabia, and in former bastions of Soviet foreign policy. For instance, in the Czech Republic, only 45% of those who sympathize with the Freedom and Direct Democracy SPD party offer up a favorable view of Germany, compared with 55% of those who do not support SPD. In the UK this right-left differential is 30 percentage points.

European Union Identity eBook (2007) / 978

This strong sentiment linking nationality and culture is most popular in Hungary 68% and Greece 66%. The last two years in particular have seen a frenzy of community-building activities. For example, 26% of older Russians give no response.

European Union Identity eBook (2007) / 978

Spain +19 points and France +13 have seen large upticks in the last three years despite publics being less positive than in 2007.

Views on the European Union across Europe

Many of the Central and Eastern European countries surveyed hold strongly positive views of the political union. Cover has no visible wear, and the dust jacket if applicable is included for hard covers.
