## Lewis Henry Morgan Papers

Widow's Pension Claim for Elizabeth Weddle Wife of Michael Weddle. But maize, from its growth in the hill—which favored direct cultivation—from its useableness both green and ripe, and from its abundant yield and nutritive properties, was a richer endowment in aid of early human progress than all other cereals put together.

## Popular Science Monthly/Volume 18/November 1880/Sketch of Lewis H. Morgan

Since mankind were one in origin, their career has been essentially one, running in different but uniform channels upon all continents, and very similarly in all the tribes and nations of mankind down to the same status of advancement.

## Northern District of Georgia's New Chief Judge Reflects on Her Career

Differences in the culture of the same period in the Eastern and Western hemispheres undoubtedly existed in consequence of the unequal endowments of the continents; but the condition of society in the corresponding status must have been, in the main, substantially similar.
