Transformative Learning Theory (Mezirow)

Best academic book and possibly best overall book I have read this year. They also share real-world examples drawn from their own experiences and assess the evolution of transformative learning in practice and philosophy. Kaisu Mäkki argues that in order to learn transformatively, we need to develop our ability to embrace edge-emotions, which come into play when we are challenging the integrity of deeply held assumptions.

Transformative dimensions of adult learning / Jack Mezirow.

The Theatre of the Oppressed: an Experiential Practice to Promote Transformative Learning?.

Transformative Dimensions of Adult Learning / Edition 1 by Jack Mezirow

Limit situations are a product of history, made by people with vested interests and are not permanent. Medical staff and experts work to make sense of what they have to do for their patients, and pharmacological researchers work to find therapeutic solutions.

Offer expires February 28, 2021 Want a fast way to memorize and study learning theories? Presented through stories based on research, this book provides a vital understanding of transformative learning and its application to the classroom. We use the term learning-within-relationship to describe what happens when an epistemology of balance is enacted in the context of a group: learners are fully engaged with their own whole-person knowing as well as the dynamic whole person of their fellow learners.

European Journal for Research on the Education and Learning of Adults, 4, 1, 33-47. Response to Mark Tennant and Michael Newman.

Transformative Dimensions Of Adult Learning PDF Book

Noted for its depth of coverage, *New Directions for Adult and Continuing Education* is an indispensable series that explores issues of common interest to instructors, administrators, counselors, and policymakers in a broad range of adult and continuing education settings, such as colleges and universities, extension programs, businesses, libraries, and museums.

Transformative Learning Theory (Mezirow)

Based on this comprehensive approach, called transformation theory, Jack Mezirow presents an in-depth analysis of the ways in which adults learn, how they make meaning of the learning experience and how their lives can be transformed by it.
