What Happens After a US President Is Impeached?

Starr switched the focus of his investigation when he received 20 hours of taped phone conversations between Lewinsky and Linda Tripp, a former White House colleague, in which Lewinsky alludes to the affair. As jurors, senators sit quietly and observe the proceedings, but they are allowed to submit written questions to both the prosecution and defense, and also to witnesses. Trump faces re-election — on whether to acquit the 45th president or convict and remove him from office.

How Many US Presidents Have Faced Impeachment?

Democrats may be in the habit of narrating everything as a defeat in one way or another, but this is a huge, history-making deal.

Trump's Job Approval Hits Unprecedented Low as Majority of Voters Say He Should Resign

Some seem to worry that every president will be impeached now; that Republicans will be hellbent on impeaching everyone who comes after and this will now become a way of life. The Republican controlled House of Representatives decided with a bipartisan vote of 258—176 31 Democrats joined Republicans to commence proceedings against Clinton on October 8, 1998. According to some insiders, anything done to raise the association between Gore and Clinton would have produced a net loss of support—the impact of Clinton's personal negatives would outweigh the positive impact of his job performance on support for Gore.
