### **Painting: Laura Owens and the New All American Century**

Smith needs drawing in further to answer, either here or on Abcrit, but she has not yet engaged.

### **Modern art was CIA 'weapon'**

Most of the artists who during the decade of the Great Depression had been naively attracted by Communism had grown disillusioned both with the machinations of the party and with Socialist Realism. I think he had finally found escape velocity from routinization.

### **Leading contemporary painters**

He planted the seed that flatness and opticality defined painting. Jasper Johns was one of the eleven artists included.

### **Alfred Barr, 'Introduction', in The New American Painting, 1959**

At its height, it had offices in 35 countries and published more than two dozen magazines, including Encounter.
