## West Bank and Gaza

Secondly, the right of appeal to civil courts was replaced by a right of appeal to the Objection Committee. This string of settlements isolates West Bank Palestinians from Jordan.

## West Bank/Gaza Humanitarian Crisis

Many smallholders could produce neither and subsequently lost their houses, gardens, farms and shops. No monetary value can be attached to the agony of the loss and destruction of life, livelihood, liberty, community, shelter, culture and homeland.

## Economy of the State of Palestine

From 1967 to 2014, the Israeli administration issued over 1,680 military orders regarding the West Bank. Since 2010, Israeli high-tech companies have begun to employ Palestinian engineers.

Living like this you must constantly resist the twin temptations of either acquiescing in the jailer's plan in numb despair, or becoming crazed by consuming hatred for your jailer and yourself, the prisoner.

**Israel's Occupation: 50 Years of Dispossession**

The Ambassador at Large for International Religious Freedom and other senior officials advocated with Israeli authorities to issue permits for Gazans to travel to Jerusalem and the West Bank for religious reasons. One 2012 report stated that the effect of Israeli policies was that, amidst flourishing modern Jewish settlements, the Arab sector had been allowed to decay into a slum where criminals, many of them collaborators, thrived. The Special Committee to Investigate Israeli Practices Affecting the Human Rights of the Population of the Occupied Territories has analysed this argument.

### **West Bank and Gaza**

With a view to facilitating future negotiations for a just, lasting, peaceful settlement of the Palestinian-Israeli conflict, UNCTAD is in a technical position to establish within the United Nations system a framework to estimate the historical and recurrent economic costs of the occupation in a systematic, comprehensive, scientific and evidence-based way on regular basis, and will report, document, update and keep an inventory of historical and new actions taken by the occupying Power, specifically those which have a damaging economic impact on the Palestinian people, their livelihoods and their immediate and future ability to maintain a viable and efficient economy.

### **Gaza and the West Bank**

No clear guidelines however exist, so even works translated from the Hebrew press, or theatrical productions permitted in Israel, such as could be censored, Criticism of settlements was disallowed, as were sentiments of national pride. Recent cooperation to share access to foreign tourists has not proven successful in Palestine for many reasons relating to the occupation. Status of Government Respect for Religious Freedom Legal Framework West Bank and the Gaza Strip residents are subject to the jurisdiction of different authorities.
