She has served as past president of Florida ASCD, a member of the Board of Directors of ASCD, a trainer for the Bureau of Education and Research and has taught adjunct through four universities. If the objective is clear, then the activities you need to do to reach it will come to your mind more easily. BOASTFUL, ATTENTION-SEEKING STUDENT What can be done for a student who is constantly disrupting the class in order to gain the teacher's attention? In this must-read book, experienced teacher and advisor on children's wellbeing, Adrian Bethune, takes the latest evidence and research from the science of happiness and positive psychology and brings them to life.

Wellbeing in the Primary Classroom: A practical guide to teaching happiness and positive mental health: Adrian Bethune: Bloomsbury Education

Problem Often when her class are about to embark on an activity it occurs to her that all the whispers and puzzled faces mean that they haven't a clue what to do.

Teaching ESL: 10 Common Problems in the Classroom

Try to explore and discover what led to the confrontation. Don't always point out errors in a student's work, but show how the finished product can be improved. Solutions a-b-c It's important to keep to the program, not to the course book, change the book when possible; if not, add some readers and grammar books; prepare songs, chants and games on the topic you need; do projects, involve students in self-study, encourage to go to the library and use the Internet; use a lot of different visual, auditorial and kinesthetic materials; look through your classroom management, correct it, make your lessons lively.
