Antique Bottle Collector Resource Guide

Both jars are a bit crude. By 1885 the mold wore out and they selected a smaller bottle like Hostetter's and it was paper labeled thereafter. The base is embossed: A.

Books for Antique Bottle Collectors

Purchased from Ed and Kathy Grey at the 2002 Keene Bottle Show. You'll really have to search to see any of the previous mentioned. The neck label has two small globes with 'Bottled at the Brewery' between.

The American bottle collector's guide to historical flasks, pontils, bitters, mineral waters, inks & sodas

There are no other markings or embossment. One neat crude feature is, on the back shoulder, it has two long raised and curved extra strings of glass on the inside. One side has a blank or smoothness to the larger leaf's main section, that was probably used for a label.
