Degas by himself : drawings, prints, paintings, writings : Degas, Edgar, 1834

In addition to over 250 color illustrations, this work draws on a range of sources - from the artist's own notebooks and letters, as well as anecdotes and memoirs of friends and acquaintances - to trace a vivid portrait of Degas at every stage of his life. This beautiful volume offers an astonishingly rich and detailed view of one of the greatest French artists of the nineteenth century. I never know how to simply review these sorts of books.

Degas By Himself: Drawings, Paintings, Writings by Edgar Degas

Edgar Degas (1834)

He is regarded as one of the founders of Impressionism although he rejected the term, and preferred to be called a realist.

Degas by Himself (November 1994 edition)

Glacier Books are experienced and professional booksellers.

Degas by Himself (November 1994 edition)

The subject of la toilette is one that recurs in Degas' works, first as an innocent theme of female bonding, and subsequently with overtones of the brothel, adding a layer of sensuality to the motif. Dust jacket has a few marks, but book itself has never even been opened.

Degas by Himself by Richard Kendall (1994, Hardcover) for sale online

This book, mostly through DeGas' own letters, relays his travels and struggles, loneliness and constant eye problems.
