Law in a Changing Society: A Conversation with RBG

You might be able to write a draft of the law yourself, or you might need the support of your state or national legislator.

Law in a Changing Society

Ex: has opposed acceptance and legal protection of pornography.

Law and Morality in India

Section A looks at the way judge-made law responds to the changing needs of society, arising from changing social values, constitutional shifts or the need for a better legal framework in a particular field. The other protection that they wrote into the Constitution was that our pay could not be diminished while we held office. Other limitations related to the efficacy of law in social change include divergent views on law and the prevailing morality and values.

Law in a Changing Society: A Conversation with RBG

Change through law is very costly because of the instrumentation of legislation, administrative ruling or court decisions that are all costly. In Russia, before the 1917 Bolshevik Revolution, the morality among general masses was that the Czar is having divine powers to rule over them. Law could respond to social change over decades or even centuries.
