## **How France's Vichy Regime Became Hitler's Willing Collaborators**

Papon was charged with crimes against humanity in 1983, but it was 1997 before he finally stood trial, to be convicted in April 1998. During our discussion afterward the points of memory were brought up.

Papon was heavily involved in police activity, during and after the war. Good: A book that has been read but is in good condition. Book Description: A disturbing account of the Vichy period, demonstrating how in the interests of stability, French national feeling favored collaboration with the German-controlled regime.

## **Vichy Holocaust collaboration timeline**

The terms of the armistice divided France into an occupied zone covering the north and west of the country, and the so-called free zone in the south.

## **Vichy France**

Also featured are bibliographies of recent dissertations and books and announcements of fellowships, prizes, and conferences of interest to French historians. Robert Paxton is the supreme authority on the Vichy regime.
