While at the desk, deep in thought, she heard people talking and laughing. Things stopped working, or something else happened to them, and then they were supposedly getting fixed but that never happened, either.

Tales of Terror (1962)

He looked down and saw, as if for the first time, how luminous pale her skin was. Madness and the Macabre, ed.

10 Delightfully Spooky True Ghost Stories and Tales of the Supernatural

Past Edwin's office was the prep room, where the public didn't go, where it was all stainless steel and fluorescent bright inside, and smelled chemical-funny. A wall of air hit him, almost peeling him off the bike. The dead didn't sweat, he would discover, but just exuded if you got that close to them an odor half the stuff hospital floors were mopped with, half Barbie-doll plastic.

Ghost Stories 10 Delightfully Spooky True Ghost Stories and Tales of the Supernatural A handpicked collection of haunting tales. There's a full review at This review has been hidden because it contains spoilers. This was super odd because it was two in the morning and nobody was supposed to be in there.

Classic Ghost Stories: Eighteen Spine

That much effort winded him. He rooted around in his jacket pocket for the key; couldn't find it. With her pale cheek against his neck, she'd look as though she were dreaming of pure velocity, the destination that rushed just as fast to meet you, always right at the headlight's limit.

Weird Tales

This is a frickin' fatality situation.
