Strasbourg

Say: It is my duty, and mine alone, to save the earth. This contribution shall seek to decipher the rationale behind these measures and whether such a stance does not overly dilute individual rights.

Strasbourg

Most of the melodies were familiar tunes used in the German church, others were composed by the organist at or of the Collegium Argentinense. By Merel Vrancken UHasselt In , the first section of the European Court of Human Rights decides on yet another case regarding the principle of inclusive education and the right to reasonable accommodations for persons with disabilities.

History of Strasbourg

This judgment evokes different feelings, *prima facie* conflicting but eventually pointing to a consistent picture of the ECtHR: that of an international court with strong expressive powers, which is expected to be at the same time cautious and leading the development of human rights standards in Europe and beyond. The European institutions in Strasbourg Strasbourg is currently the seat of more than a dozen institutions and organisations, both European and international.

Strasbourg and Europe: History and Anecdotes

The port itself is one of the largest on the Rhine and handles shipments of petroleum, agricultural products, and building materials. The list of humour-related cases handled by the Strasbourg Court is by now quite extensive and diverse — including, among others, satirical paintings

depicting Austrian politicians , mocking remarks about a brand of potato chips , obscene cartoons about colleagues , homophobic jokes and facetious references to the lifestyle of public figures.

Strasbourg and Europe: History and Anecdotes

Since 1952, the has met in Strasbourg, which was formally designated its official 'seat' at the Edinburgh meeting of the of EU and government in December 1992.

Events around Strasbourg

The EU: an economic giant The EU comprises 447 million inhabitants, making it the largest democratic zone in the world.

Martin Bormann: Nazi in Exile by Paul Manning

In 2000, a was prevented thanks to the cooperation between French and German police that led to the arrest in late 2000 of a Frankfurt-based group of terrorists. However, the city was later annexed by to extend the borders of his kingdom. By , postdoctoral researcher at University of Zürich Begging can be framed in different ways.

Martin Bormann: Nazi in Exile by Paul Manning

Moreover, the Court concluded that an obligation to uphold the legislation regulating the lawful possession of firearms does not only require, from the national authorities, that they intervene in activities where the risk to life is imminent, but also in activities that cause concrete suspicions about the compliance of requirements regarding the possession of a firearm
