### A Modern History of Hong Kong

While the book is a tad dry, I would recommend reading for people that want to know more.

### A Modern History of Hong Kong by Steve Tsang

The bank first leased Wardley House at HKD 500 a month in 1864. Like so much else about Hong Kong, it is a city of paradoxes, at once Chinese and not-Chinese, Eastern and Western, autonomous and controlled, modern and traditional.

### History of Hong Kong (1800s)

The was concluded but had not been recognised by the Qing Dynasty court at Beijing. Twenty years since the city was handed back to China by colonial power Britain here are key points in its evolution: Increasing numbers of Han Chinese from the mainland began to settle in Hong Kong, alongside boat-dwelling communities also thought to have originated from southern China.

### Hong Kong

The in 1949 led to another population boom in Hong Kong. It handled much of the social services and was providing free in Hong Kong Island and.

### A Modern History of Hong Kong (豆瓣)

High , literacy, per-capita income and other socio-economic measures attest to Hong Kong's achievements over the last four decades of the 20th century.

### A Modern History of Hong Kong, 1841

However, her proposal of the has led to against its implementation. And some people already foresaw something of the momentous consequences of the British acceptance of a 99-year lease on the New Territories instead of outright cession.
