None of the accounts are managed by a relationship manager. For exceptions to reporting, see Exceptions to Reporting on page 6 of the instructions for Form 8938.

#### **Acts & Amendments**

Similarly, a financial institution employee who generally performs front-desk services for walk-in customers is not a relationship manager. Individual A also controls 100% of Entity Y and 50% of Entity Z. For non-monetary items measured at fair value, use the exchange at the date when the fair value was determined.

What Are International Financial Reporting Standards IFRS? This requirement is satisfied if the financial institution's policies and procedures used to record the current address offer assurances that the address is either the same address or in the same jurisdiction, as the documentary evidence if any relied upon at the time the address was recorded or last verified. Limitations of GAAP While GAAP strives to alleviate incidents of inaccurate reporting, it is by no means comprehensive. General purpose financial statements are directed towards the common information needs of a wide range of users, for example, shareholders, creditors, employees and the public at large.

#### **Acts & Amendments**

Therefore, a person whose functions do not involve direct client contact or which are of a back office, administrative, or clerical nature is not considered a relationship manager.
