Annual Progress Report:

In Southern Province, there was a surge in inequality: consumption growth was driven entirely by rising incomes of the rich, while real incomes of the poorest 60% of the population fell :. The final decision will be made by the VUP Management Team.

National Development plan (NDP2)

The optimal mix may therefore vary from place to place. Local institutions include the watershed committee, SHGs, and user groups which will all function under the purview of the gram panchayat and gram sabha. An improved management plan will also be developed.
