Outdoor Rugs

The area is largely enclosed so I'm not too worried about it getting hit with the elements, but it gives me peace of mind to have something so pretty being able to live outside. Someone new to the world of rugs may find it quite difficult to tell the difference between a machine-made rug and hand-knotted rug.

Machine Made Rugs

In addition to an emphasis on high quality weaving materials, the standards of fabrication for machine made rugs may also be high. Any reputable dealer will not hesitate to send you pictures of the edges, back, depth of pile, or any other photos of the carpet that you want to see. With hand knotted carpets, the pile is cut as each individual knot is tied.

1 Easy To Wash Machine Made Rugs For Sale

If the carpet has a rubber backing, it is a more than likely a machine made rug. With hand-knotted rugs, the fringe is an extension of the rug foundation; while the fringe is sewn onto a machine-made rug. You can also tell the difference between a technologically machine-made rug and hand-knotted rug by looking at the fringe.

Machine Made Rugs

Our rugs are beautiful, durable and woven with American Pride. I like that the white triangles are very subtle. Can you fold machine made rugs? The difference between machine made and hand knotted rugs.
