## GDPR Support

If possible, consider sending volunteers to deliver a comforting note or postcard to mailboxes in your neighborhood. We have been blessed by God to have individuals who have committed their time and talents to serve as care giving members to this ministry. May God increasingly bless you with creativity and grace as you explore new ways of interacting with your congregation and sharing his love with your community.

## Ministry for Seniors

Other churches are having small groups meet digitally using virtual hangouts such as Google, Zoom, Skype, or FaceTime. Sometimes, though they are leaders in communities, they are overlooked in church.
